Barnd Enters Security Sales Contest; Event To Close April 30

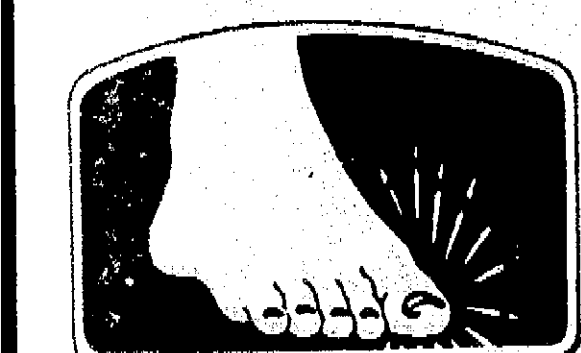

Barnd's trip to Europe with all paid is the prize which Jules Barnd, local realtor and securities salesman, will strive to win this month in a contest with other salesmen representing the Doherty & Co., a concern which deals in Cities stocks. There are 900 in the sales force throughout the department that he is entered in, which will close April 30. Barnd, following his Saturday from Toledo, where he had a two-day conference of salesmen representing the Doherty organization, the Toledo and Detroit districts. Barnd's sales during January and February were the largest in the district.

MARION MEN RETURN FROM TYPOGRAPHICAL MEETING

George W. Sorrelles and Fred D. Sorrelles returned from Canton, Ohio, where they represented Marion Typographical Union, No. 675 I. T. U., at a semi-annual conference of the Marion Typographical Union, held Saturday and Sunday. Talks were given by a number of men prominent in the union, including Seth Brown, of Indianapolis, first vice president of the International Typographical Union; J. W. Hays, of Indianapolis, Ind., secretary and treasurer of the International Typographical Union; Max Hayes, of Cleveland, representative and organizer of the International Typographical Union; Mayor Sorrelles, of Canton; Herman Miller, of Columbus, member of Governor Denney's cabinet; and Charles Morris, general manager and publisher of the Marion Daily News.

INGROWN NAIL

Turns Right Out Itself

A few drops of "Outgro" in the crevice of the ingrown nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the nail, that it can not penetrate the flesh, and the nail turns naturally outward almost overnight.

Fire Insurance

is something you take for granted—a protection every property owner should have.

But don't take too much for granted. Don't think that you can take out Fire Insurance and forget it except when premiums are due. You must ask yourself every year if your protection is still adequate, if changing property values, improvements and additions in your property, new equipment, etc., have not affected the efficiency of existing policies.

We will gladly help you take inventory of your risks.

Mutuals Gain on Bradley Drugs; "Merry Widow" Opens

MIDLANDS TAKE THREE GAMES; DRUGS WIN ONE

Last Scheduled Bowling Tilt of Season in National League

MIDLAND MUTUALS gained two games on the Bradley Drugs last night during the final scheduled match of the National Bowling League. While the Drugs were losing two to the Motorcycles, the Midland crew took three from Bentz Tires.

Bradley, with 21 defeats out of 84 games, finished their league career for this season last night. Mutuals, with only 20 downfalls out of 84 games, have three more to bowl. The Motorcycles and Mutuals have a postponed match to roll and that will come probably next Monday. Should the Mutuals win two out of the three contests, they will land the league pennant. Should they win only one, they will tie Bradley and they must drop all three to the Motorcycles before the present league leaders can come out on top.

The Motorcycles will run a close third in the battle for supremacy in the National League. They have lost to date a total of only 35 contests but have two or three postponed matches to roll. Should they come through in the postponed games, they will land third place. They cannot possibly take either first or second honors.

The feature of the final scheduled match of the league last night was the one-point defeat of the Drugs in the final tilt with the Cyclones. The final score was 821 to 820, and it is probable that the championship of the National League hangs in balance as the last ball was rolled down the alley, giving the Cyclones their lead.

White Sox Draw Interest As Chicago Forgets Scandal; Cubs Also Attract

BY NORMAN E. BROWN

Chicago, Ill., April 11.—This city's baseball atmosphere has changed considerably since I was here last time. Three months ago the fans of this city were wondering what Swede Risberg had "on" the baseball world in general and whether or not Dutch Leonard had any more letters.

Today they don't care. They are wondering only how the White Sox and Cubs are going to come out in the approaching campaign.

"Which is as it should be," as the dapper bird said when she appointed the horrid chief engineer of the vacuum cleaner.

From the chatter heard it would seem that the White Sox are drawing the major portion of the interest generally speaking.

Two more, acting independently of each other have changed the complexion of the White Sox considerably over the winter.

The two are Charlie Comiskey, club owner and Ray Schalk, 1926 manager and star second baseman, the ornate, gold nibbed gate over the winter and named Ray Schalk manager.

Schalk, out over the deal that brought old Roger Dackinbach and Aaron

Wood from eastern cities to the Sox, took to fill the gap some way.

May Need Relief

Schalk's advancing age and his managerial duties may force him to give the Sox fans another new face in a younger one in the catcher's box at times.

Then, as the season wears along, the Sox will have an opportunity to size up the Boone, new to the town although not new to the big time. He's the boy counted on to help ring up base hits and victories on the Comiskey cash register until Mostel is able to return to the game if he ever is able to. And there is Alie Berg, who studied in Paris to become an infielder in New York and then found his way to Chicago by way of Medicine Hat or some such place, just to give him a nice name.

But seriously Chicago fans have forgotten the rottenness that was slung into the game last winter. Their only thought regarding Eddie Collins, drawn to the Sox, is to regret his passing. Ty Cobb will come and he welcomed as a member of the Athletics. Dougie Bush's return to Chicago will be as manager of the Pittsburgh Pirates, and not to be accused of holding his head at Eddie Deland.

If Tris Speaker fails to rush up to Ben Johnson's box to congratulate him on his useful recovery the fans will overlook the usual error completely unless some "sneak" calls their attention to it.

Chicago wants big-ball—the kind that's played on the field.

BY BROWN
CINCINNATI REDS

Failure of Hugo Czysz, star second baseman and keyman of interest, to come to terms early, handicaps Jack Hendricks' team again.

Team has been weakened seriously by loss of Eddie Rosen, center fielder in National League. Czysz's future actions will increase or decrease this loss.

Acquisition of George Kelly, good speedy man, but who will appear upon final playing in the team lineup.

Has some pitching staff—well known—presumably uncertain at the writing and his usefulness at last delayed.

In other words the team has no tangible improvements to offer to meet those made by the Giants and other teams.

MORROW COUNTY GUN CLUB TO HOLD SHOOT

Registered Match To Be Held at Cardington Thursday, April 21

The Morrow County Gun Club will hold a registered shoot April 21 on its club grounds at Cardington. It was announced today.

It will be a 200 yard race with \$1000 guaranteed money.

Morrow County has one of the best equipped gun clubs in central Ohio, including four traps and a large club house. Men will be served at the shoot and participants are invited to bring their families and enjoy a day of real sport.

The Amateur Trapshooting Association 1927 rules will govern the shoot and the score will be entered in the official records.

The trap will be open for practice at 9 o'clock and the program will start at 10 o'clock. The club is located at Russell's Black Raccoon Farm on State Route 55.

A professor of psychology at the University at Chicago conducted experiments whereby headless frogs hopped and fearless pigeons were made to fly. Decapitated one day, put on ice for 12 hours, frogs hopped around the next morning.

Bowling Tourney Attracts Number of Marion Fans Several Scores on Record

Five Singles Start, but Give Up Attempt Before Final Game Smallwood and M. A. Burnett Roll 1113 in Doubles; Other Attempts Are Recorded

THE highest score rolled last night in the first series of the "Merry Widow" bowling tourney was recorded by M. A. Burnett and Smallwood in the double. The final score was 1113 for the two three games. Shoemaker and Wheeler made a stab at a high mark in the doubles but fell below the 1100 mark as did Thomas and Koons.

Rene Bennett and Wheeler scored 924 in the mixed doubles. No other marks were placed on record.

Two persons started to roll for a single high mark but failed to finish when the total score of the best and second games was too low to do any good in the final tabulation.

Interest first built on the affair centered in the National League games, and few persons took part in the tournament but during the latter part of the week, when no league games will be on the program it is expected that the

"Merry Widow" will attract a number of local bowlers. Last year almost 200 entered tournament before it finally came to a close and Manager Ed Messer, the Y. M. C. A. alleys today expect that he expected as many or more to take part this season.

Greater interest has been shown in bowling in Marion this year than before and all previous results point to a successful tourney.

Baseball Opening Attracts Throngs of Fans Today

Eight New Managers Take Up Duties at Inaugural; Many Other Changes Seen

Baseball Rearranges Resources in Such Way That No Opening Within Memory of Modern Man Carries Appeal of Today's Cobb, Speaker and Others Attract

BY DAVIS J. WALSH
NEW YORK, April 12.—That bubbling, effervescent glass of champagne which alternately pleases and irritates the nostrils, will be the plate to the American League's eight major league cities to some 275,000 customers as they neglect to quaff in moderation for the day at least, may be the grow young disgracefully. The fellow who could take his or her fellow until after breakfast. But those of those strong, silent men who now, he wasn't talking about.

The appeal of the game to strong and weak, rich and poor, famous and obscure, silent and garrulous, is one of the greatest of American sports. It endures through the ages. A year ago, the police of several cities were watching every passing face for a likeness to a famous burglar who had murdered rather than accept arrest. They found him at the Polo Grounds, sitting in at the season's opening game between the Giants and Dodgers. His equally American impulse, perhaps, in only redeeming one, had betrayed him.

In Spite of Scandal
So today, in spite of backstairs scandals that attempted to impugn the names of some of baseball's immortals, many and near-capacity crowds will fill every park. The lure of the game was stronger than one man's head of arrest; it is and forever will be stronger than institutions and intrigues that failed of proof.

The official schedule for the 1927 season follows:

American League
Boston at New York.
Boston at Washington.
Detroit at St. Louis.
Chicago at Cleveland.
National League
Brooklyn at Boston.
New York at Philadelphia.
St. Louis at Chicago.
Pittsburgh at Cincinnati.

Not by design but purely through circumstances, baseball has rearranged its resources in such a way that no opening within the memory of modern man carries quite the appeal of the present one. Ty Cobb will appear at the local stadium as the co-attraction with Ruth and he will be wearing the cap of the Philadelphia Athletics for the first time in league competition. In the same club will be Eddie Collins and Zach Wheat, also noted off-season players, and Joe Boley and Dudley Brandon, noted minor leaguers, to say nothing of the fact that the outfit has two stars for every position.

The teams will play to the stadium's new than 40,000 capacity, if given a bit break in the weather. The reserved sections were sold to the last ticket yesterday.

Hardly less intriguing if at all, than the spectacle of Cobb in a Philadelphia uniform will be that of Tris Speaker playing centerfield for Washington. Tris, generally rated as the beau ideal of all

defensive outfielders, is just another of a list of notable transfers.

About Rogers
What, for example, could be more engaging than the prospect of watching the man who managed the present world's champions playing second base for a rival club? That, however, is exactly what will happen today when Rogers Hornsby takes the field in Philadelphia today as a member of the New York Giants, supported in the outfield by Ed Roush, previously regarded as a Cincinnati institution.

Their appearance with the Giants meant the passing of Frank Frisch to St. Louis and George Kelly to Cincinnati, by which once again the public's desire to see old friends in new surroundings was served.

The clubs that haven't new stars are satisfied with what they had and those that weren't, lost no time in getting new managers. Of these, there are eight in all—Donie Bush, of the Pirates; Ray Schalk, of the White Sox; Bill Carrigan, Boston idol who returns to the Red Sox; George Moriarty, of the Tigers; Dan Howley, of the Browns; Stuffy McInnis, of the Phillies; Jack McCallister, of the Indians, and Bob O'Farrell, of the champion Cardinals.

No, it doesn't seem possible that this, of all baseball inaugurals, can miss. It already has everything that a good show needs, except the customary loss of life among female grandparents and a dash of good weather.

EDS AND COMPS DIVIDE HONORS IN PIN MATCH
Eds Roll Highest Score in League So Far This Season

Editorial bowlers and Composers last night divided honors in their final two-game match of the Marion Star Bowling League on the Y. M. C. A. alleys. The Eds took the first game 739 to 607 while the Comps won the second 607 to 615. The Eds' score of 739 was the highest yet bowled in one game in the league.

Custer was high for the Comps with 184 while Hiett led the attack for the Eds with 187 pins.

TROUBLE FOR TEX

Cleveland Promoter Threatens To Force Maloney and Risko Fight

New York, April 12.—Trouble loomed for Promoter Tex Rickard today in the threat of Walter Taylor, Cleveland promoter, to invoke the law in an effort to force Jimmy Maloney to go through with a Johnny Risko fight in Cleveland before May 1.

Taylor had Maloney and Risko signed up for a February battle when Rickard came along with the Jack Delaney match at the Garden.

Maloney begged off in Cleveland, promising to go back there this month to tangle with Risko, however, Rickard chafed at the idea of subjecting his heavyweight prize-brace to the bullying of the Cleveland strong boy. Maloney and Jack Sharkey are set for a \$500,000 fight at the Yankee Stadium on May 19 and Tex insists that neither shall engage in any preliminary glove brawls.

JOHNNY MOSTIL SPENDS STRANGE "OPENING DAY"

Chicago, April 12.—Johnny Mostil will spend a strange "opening day" for a major league baseball star. Instead of being in his usual place in center field for the White Sox, playing today in Cleveland, Mostil will occupy a box at Cubs park to witness the opening clash between Chicago and St. Louis. He is convalescing from an attempt at suicide.

FIRST TIME IN YEARS

WALTER JOHNSON

Walter Johnson, king of American League pitchers, was not in shape to take his turn in the box at the opening of the big league season. An injury to his ankle forced him to discontinue spring training and retarded his conditioning.

Poorman Garage Outfit In First Practice Session

WITH a large crew of pitchers and batters from which to select an excellent pair for the mound and behind the bat, together with a number of snappy outfielders and infielders, Poorman's Garage baseball outfit gloves the promise of rounding into one of the best nines in Marion during the season. Thirty-two candidates reported for the first practice session Sunday afternoon and they all looked "pretty hot."

READY FOR BATTLE

Jim Muller's Stars Finish Training For Bouts at Chicago Tonight

Chicago, April 12.—The four principals in Promoter Jim Muller's "ball star" boxing show at the Coliseum tonight finished training without a scratch and were bounding about their quarters today awaiting the call to battle.

They include Dave Shade and Phil Krutz, who are scheduled for 10 rounds at 155 pounds, and Billy Petrolle, the "Farao" express, and King Tut of Minneapolis, who will step 10 rounds at 135 pounds.

Although the Shade-Krutz affair is billed as the climax, there is as much or more interest in the King Tut-Petrolle match. The King, who has built quite a "rep" on the Pacific Coast, has never appeared here and local fans are eager to see his wares.

If Shade makes an impressive showing against Krutz, he has the promise of a championship fight with Mickey Walker here this summer.

BAN JOHNSON TO MISS FIRST GAME

Chicago, April 12.—Ban Johnson, president of the American League, for the first time in many years will not attend opening games, he announced today. He will spend today at work in his office, he said, in an effort to catch up after his three-month vacation.

BUSINESS WOMEN TO BOWL WEDNESDAY NIGHT

League Will Not Close Until Late in April, It Is Announced

Marion Business Women will hold their regular bowling session on the Y. M. C. A. alleys Wednesday night.

While the National and Industrial Leagues have come to a close, with the exception of postponed games, the Business Women's League will continue until late in April, it was announced today.

Several of the business women have planned on taking part in the "Merry Widow" tournament during the next three weeks. Rhum was on the winning team of the mixed doubles last year.

LAST NIGHT'S FIGHTS

At Pittsburgh—Willie Davies, Pittsburgh, defeated Willie La Monte, Cleveland, 10 rounds.

At New York—Phil McGraw, Detroit, defeated Charlie Mundy, New Bedford, 10 rounds.

At Baltimore—Vince Dundee, Baltimore, knocked out George Russell, Philadelphia, third round.

At Chicago—Art Knapp, Toledo, defeated Tony Saunders, Chicago, ten rounds.

At Providence—Fidel La Barba, Los Angeles, defeated Young Montreal, Providence, 10 rounds.

At Tucson—Sammy Mandell, Chicago, knocked out Johnny Valdez, Oakland, second round.

Marion Riflemen Win Triple Shoot at Delaware; to Meet Richwood Thursday

MARION marksmen last night came through a triple shoot at Delaware with flying colors. This local crew led the Columbus Business Men and Delaware Riflemen when the season came to a close. Marion's total score was 243 out of a possible 1,000 points, with the Columbus Business Men up and coming with 191 and Delaware not far behind with 185.

Johnson led the local team with 122 out of a possible 200 points. Other scores of the Columbus team were 191 and 185. Johnson's score was 122 out of a possible 200. The Marion team will meet the Richwood Riflemen on the local range, Thursday night. Richwood has one of the best teams in the league but the Marion outfit has defeated it since the first season on the Richwood range.

Other scores made by local shooters were: Ready, 180; Martin, 170; Barth, 178; and Lane, 160. Nine men took part but only the five highest scores are counted in the match.

Littleton Leads
Littleton of the Columbus Business Men was high man in the shoot, scoring 122 out of a possible 200 points. Other scores of the Columbus team were 191 and 185. Johnson's score was 122 out of a possible 200. The Marion team will meet the Richwood Riflemen on the local range, Thursday night. Richwood has one of the best teams in the league but the Marion outfit has defeated it since the first season on the Richwood range.

COUNCIL ORDERS PURCHASE OF POWER ROLLER

Seven-Ton Gasoline Road Machine Authorized for Service Department

Purchase of a seven-ton gasoline power road roller for the city's street repair and maintenance department was authorized by council last night in adoption of a resolution introduced at the request of Service Director O. A. Benedict.

The resolution gave the service director authority to advertise for bids on the roller, which he states is urgently needed for street repair work. The machine, which will be used chiefly on the city's unpaved streets, will be provided with a scarifying attachment and is expected to cost about \$3,000.

The city has about 50 miles of dirt streets and work of keeping them in serviceable condition is one of the biggest tasks of his department, Service Director Benedict states. In the past it has been the custom to rent rollers from local contractors and other private concerns, the rental cost averaging \$3.50 an hour. Mr. Benedict stated that the city will profit greatly by having its own roller and that it should pay for itself in one year's operations.

Details Work
The service director informed council that \$700 was expended in work on Cheever-av., an unpaved thoroughfare, last year, and \$507 on Kenton-av. and that the improvement was only of temporary benefit.

Such items of expense could be greatly reduced by a municipal owned roller and scarifier, Mr. Benedict said, and in addition it will be possible to keep the dirt streets in good condition the year round instead of only in certain seasons, as is now the case.

Streets Damaged
Unusual weather conditions during the last fall and winter resulted in extensive damage to the dirt streets, Mr. Benedict states, so that when spring arrived these thoroughfares were in the worst condition in the city's history.

As a result of authority granted in the resolution adopted last night, Benedict will advertise at once for roller bids and the purchase will be made by the board of control within a few weeks.

The roller is to be paid from the city's share of gasoline tax and auto tag collections. This means that it will not add to the taxpayers' bills, Benedict stated. It will be necessary, however, for his department to cut down expenses wherever possible in order to pay for the roller this year, he said.

HEARINGS ARRANGED FOR TWO HALL BROTHERS

To Face Liquor Charges in Wyandot Common Pleas Court

Sheriff H. B. Stansbury of Wyandot County was engaged this morning in communicating with neighboring counties to determine the truthfulness of the claim of Harold Hall, 22, alleged runner, that he and his brother, Frank, 30, 509 W. Columbus-st., this city were facing court on liquor charges for the first time.

Hearings were scheduled for the pair this afternoon before Common Pleas Judge Earl B. Carter of Upper Sandusky. Harold is charged with the transportation of liquor and the elder Hall with aiding and abetting.

Arrests were made Sunday morning after Sheriff Stansbury and a deputy had told themselves in a fuelless Chevrolet touring car which was carrying 60 gallons of alleged "white male" liquor. The brothers arrived at the scene after a time and were placed under arrest. They were riding in a Nash touring car with another fuel supply. Both cars are being held in custody.

COUNCIL GETS PETITIONS FOR IMPROVEMENTS

Property Owners on Pennsylvania-av Request Paving; Committee To Decide

Petition for paving of Pennsylvania-av between Center and Church-sts., signed by 13 property owners, was received by City Council at its meeting last night and action was taken on several other street improvement projects.

The paving petition was referred to the street and alley committee for consideration, with probability that it will not be granted for this year. Some time ago council practically agreed to authorize no additional paving projects to the list already scheduled for 1927, so it is likely that the Pennsylvania-av proposal will be placed on the shelf temporarily along with several others for which petitions have been filed.

Petitions for sidewalks on the east side of Prospect-st. from the south line of lot 11253 to Thew-av and on both sides of Thew-av from the end of that thoroughfare to Prospect-st., filed at a previous meeting of council, were re-

turned to the committee's approval. The city collector was instructed to draw up legislation necessary for having these improvements made. Similar action was taken on a petition for a sewer on Evans-st. between Prospect-st. and Church-av. A resolution was adopted directing the clerk of council to publish a notice appraising property owners of the fact that a schedule of assessment is now on file at his office for paving of Willow-st. from its eastern terminus to Prospect-st. and for sewers and sidewalks on Bellefontaine-av, Glendale-av, Chaffin-st. and Maynard-av in the Oakland Heights district. The Willow-st. paving assessment is \$3.45 on each lineal foot of property frontage and the sewer and sewer assessment rate of \$1.28.

Authorizes Walk

Other council proceedings included adoption of a resolution authorizing C. D. Schaffner to construct a concrete sidewalk on the west side of Johnson-st., a resolution ordering street lights installed at the intersection of Tyler and E. Fairground-av and Unenphers-av and Bennett-st. and an ordinance approving purchase of a McCormick-Dorr tractor from the Marion Implement Co. for use in the city's garbage collection department. Bids on the tractor were received several days ago by the city board of control and the McCormick-Dorr proposal was accepted at a price of \$1,345.

An amendment to the city's garbage collection ordinance, passed March 23, 1926, was adopted, reducing the charge for rubbish collection permits from \$25 to \$5. Permits for garbage collectors remain at the same price, \$25. The charge is for one year.

Forest Project

City Solicitor Grant informed council that J. H. Unenphers, owner of land east of, has requested that steps be taken to open Forest-st. through to Vernon Heights-av. Forest-st. is now in two sections, the main section running north to Mt. Vernon-av and a small strip which intersects with Vernon Heights-av. Unenphers' land and property owned by J. M. Pipes, fills the gap between the two sections. Unenphers suggests that the city start condemnation proceedings to bring about purchase of the Pipes land and make the Forest-st. opening possible. Unenphers has agreed to donate a part of his property for the thoroughfare.

Survey Report

The street and alley committee reported that it has made a survey of a gateway located west of Dix-av and extending from Wilson-av to the Erie railway which has been offered to the city as a public alley. The committee recommended that the offer be accepted and council referred the matter to the city engineer to complete arrangements for acceptance. A petition for a street light on Orchard-st., 75 feet north of Columbus-av, was reported upon favorably by the committee and the city solicitor was instructed to draft a resolution ordering the light installed, to be acted upon at the next meeting.

SENATOR SAYS VOTE CERTAIN ON HILL BILL

Committee Chairman Claims Anti-Sunday Dance Act Will Reach Senate

The Hill anti-Sunday dance bill is practically certain to reach a vote in the senate, according to a statement made at Columbus yesterday by Senator George H. Bender, chairman of the committee which has the proposal on charge.

The committee, which is regarded as being opposed to the measure, is to meet Wednesday night for final action. It had been predicted that the measure would be shelved by the committee but Bender's statement indicates otherwise.

"I have been accused of trying to stifle certain measures in committee," he said yesterday. "That is an absolute falsehood. At a meeting of that committee, Wednesday night, any member can make any motion he wishes and it will be entertained by me as chairman."

"And if anybody has anything to say, he will be given an opportunity to say it, as has always been my policy."

The motion to which Bender refers is believed to be one which would have the dance bill reported out with recommendation for passage. There is a good chance, it is reported, that the motion may be adopted.

Hears Out Prediction

This change in the situation appears to bear out the prediction made here Saturday by H. E. Hill, Marion County representative who is author of the bill, that it would come to a vote in the senate. He made this prediction after Bender's committee had staged a burlesque scene in the senate in presenting a mammoth petition, signed by 250,000 persons, requesting enactment of the bill. The reaction to this demonstration, Hill indicated, strengthened the bill's chance of adoption.

Before the bill comes to a vote, however, it must be placed on the calendar by the senate calendar committee or taken away from the committee by the senate.

The procedure to be taken will be definitely known Thursday, reports from Columbus indicated today.

PURCHASE OF NEW FIRE EQUIPMENT IS PLANNED

Sale of Bonds Anticipated in Near Future to Provide Funds

Sale of bonds to provide funds for purchase of a new motor pumper and truck for the West Side fire department is expected to be authorized in the near future as the result of action taken by the fire department committee of City Council last night.

The new truck is to replace the 15-year-old vehicle which has been declared unfit and unsafe for use by Fire Chief McFarland and which has broken down on several occasions as proof of the chief's claims. The latest breakdown occurred several weeks ago on W. Center-st. while the West Side firemen were making a run to a fire in the up-town district.

No Parts Available
Trucks like the one now in use are no longer made and it is impossible to purchase parts when trouble occurs. The fire chief in his annual report submitted to council recently, called attention to the danger of serious accidents from continued use of the truck.

The fire department committee, consisting of Charles Schmidt, J. E. Wilkins and T. J. Mead, last night agreed unanimously to recommend purchase of a new truck. The probable cost is estimated at \$13,000.

The bond ordinance is expected to be submitted to council at its next meeting.

PARK STREET CHURCH PLANS REVIVAL SERVICES

Mrs. Mary Lou Henderson of Zaues-vill, evangelist, will open a 10-days revival at the Park Street African Methodist Church, at 8 o'clock Thursday night, it was announced by Dr. L. W. White, pastor, today. Services will be held at 8 o'clock each night. Mrs. Henderson will be assisted by Dr. White and the church choir. The public is invited to attend.

RETURNS HOME

Mrs. G. N. Hagau, of the Marion-Green Camp-pk., returned yesterday from Columbus where she was called by the illness of her daughter, Miss Ruth Hagau. Miss Hagau, who is ill of grip and complications, is reported to be slightly improved, and will be brought to her home here Thursday.

Those who sin merely out of curiosity don't sin often.

R. L. MILLER FINED \$50 FOR RECKLESS DRIVING

R. L. Miller, of Marion, was fined \$50 and costs by Probate Judge L. B. McNeal Monday afternoon on a charge of reckless driving.

Miller was arrested on the Delaware rd Saturday night by Sheriff James A. Deal, who was called to the place where Miller's machine went into the ditch.

UNION MEETING

The Hi-Y Clubs of the Y. M. C. A. last night held a union meeting with Rev. A. W. Swan, Deputy Mayor and Donald Barron in charge of activities. Several readings were given by club members and entertainment was furnished by Mr. Bolger and Mr. Barron.

Here's the Secret of Joyful Health

"Many years ago," says Grandma, "when I felt older than I do today I made a study of how to keep fit."

"I learned that there are six salts which Nature depends for the body's healthy life. I also discovered that, because of my occupation, my body wasn't getting its proper supply of them. Every day, in fact, my system was crying out for those six salts."

"Then I found Kruschen, which contains just those six salts in Nature's own proportion, and ever since I have been able to supply my body's daily needs in the easiest possible fashion."

"It's the little daily dose that does it," says Grandma.

Let us carry this a little farther. The bases of the six salts to which Grandma refers are Potassium, Magnesium, and Sodium, and you feel well or ill according to the accuracy with which you maintain Nature's balance of them in your body. The analysis of Kruschen Salts, printed on every bottle, proves that they do actually make good the daily deficiency of these ingredients that millions of men and women daily experience. Mark you—the daily deficiency.

It's the little daily dose that does it. Millions of men and women who have adopted the healthy Kruschen habit find that the feeling of fitness, cheerfulness, self-confidence and energy it produces is always with them. What is the explanation?

It's the little daily dose that does it. Every morning drop two tablets of Kruschen Salts in your coffee or tea—it dissolves instantly and is tasteless that way or if you prefer take them in a glass of hot water.
